1. MoReSCE Partnership Opportunities

Thank you for your interest in partnering the MoReSCE 2023! We're excited to share with you an opportunity to increase your visibility in our mountain resort community as well as to provide as many B2B opportunities as possible!

After almost a decade, MoReSCE is being organized for the third time and in 2023 we are continuing to strengthen industry stakeholders and development projects from the fast growing region and to connect demand and supply in the best possible manner.

In achieving our goal to provide financial stability to fuel growth and support of the community, we have a simple golden rule for our sponsorship program:

The general content and appearance of each sponsor's credit must meet their needs and enhance their expectations.

2. Why Should Your Company Partner with MoReSCE?

1 Connecting demand and supply in the best possible context

2 Build a brand in an influential and fast growing industry of mountain resorts

3 Connect MoRe effectively with stakeholders

4 Educate MoRe with MoReSCE
